36TH MISSOURI CHRISTIAN CONVENTION

MARCH 19 & 20, 2010 • ST. CHARLES CONVENTION CENTER, ST. CHARLES, MO

What God Can Do

in the church: rural | suburban | city | world

March 19 & 20, 2010
St. Charles Convention Center
St. Charles, Missouri

A MESSAGE FROM THE PRESIDENT...

Dear Missouri Christians,
As the new year dawns the time for the 2010 Missouri Christian Convention draws near. There is so much to be excited about regarding this year's convention.

First, I'm excited about our location. The St. Charles Convention Center is a new facility that will provide an excellent convention. Everything will be under one roof and there is plenty of free parking. The convention center is very easy to drive to and there are many other attractions in the area. Also, we have a choice of hotels that are within 2-3 minutes.

Next, I'm excited about our theme, "What God Can Do." When we allow the Lord to guide us and work through us, He can accomplish anything.

Last, I'm excited about our program. Our main session speakers and worship leaders will inspire us. Our teen and children's programs will be fantastic. The workshops will provide practical opportunities for learning and growing your personal spiritual life as well as ministry. Also, we will have many exhibitors who will expand your horizons in the Lord's work.

So, as March 19 & 20 quickly approach, I would ask you to do three things. Pray for favorable weather for all those who will travel to the convention. Encourage your church to Rapid Register for the convention. Make plans to attend yourself.

God bless and prepare to see "What God Can Do."
Don Sanders • 2010 MCC President
